Subject:- Transfers of Masters.

ORDER NO. 194 DSEK OF 2016
DATED 17 / 02 / 2016

Whereas, about **200** applications/D.O letters were received from master of various districts for their transfer to home districts during the last 5 months;

Whereas, due to mid term transfer ban and non-availability of vacancies in much sought after districts and enhancement of retirement age these applications could not be processed in time;

Whereas, it was seen that most of such masters have been shifted from their home districts on promotion and are serving at new places for more than three years;

Whereas, these Masters are frequently visiting the Directorate for their transfer;

Whereas, vide a chain of communications with CEOs, it was seen that more than **320** Masters are away from home district w.e.f **2005** in contravention of recently announced transfer policy;

Whereas, most of the applicants have sought their posting in District Srinagar so in order to pave way for transfer of these Masters to their home district, it became inevitable to shift some Masters overstaying in District Srinagar to nearby districts (for **one year** in anticipation of ensuing vacancies in district Srinagar) to provide opportunity to the masters who have served away from their home districts for more than three years;

In view of above, in the interest of administration and justice, and in pursuance of the transfer policy, sanction is hereby accorded to the transfer of **161** Masters/Incharge Masters to the Districts indicated against each in the annexure "A" to "F" to the order:

Total		161		

It is further ordered that the masters forming Annexure-**"F"** shall be transferred for **only one year** and shall be posted in schools bordering District Srinagar.

The salary of these masters for the month of **February, 2016** shall be drawn from previous places of posting to avoid financial indiscipline in view of closure of financial year. The CEOs shall post the transferees in teaching deficit zones.
