Email: innovationdsek@gmail.com

Subject: Selection of candidates for Super-50 Civil Services(IAS/KAS) free Coaching (2018-19).

Whereas, the selection list which was published by this Directorate on 08-12-2018 was taken off because this Directorate received representations from the candidates alleging therein that some selected candidates have wrongfully mentioned their qualification as 10+2 while as they are actually graduates and vice versa.

Taking cognizance of the complaints, this directorate decided to publish the general merit List so that genuine candidates are selected, as per merit, in a transparent way.

Whereas, the General merit list of Super-50 Civil Services (2018-19) was published by this Directorate on 15-12-2018 in which it was asked that if any candidate has grievance about his merit and qualification etc. he/she shall submit representation within four 4 days.

Whereas this office received near about 200 representations through offline, online, telex and whatsApp messages till 22-12-2018.

Whereas the team of officials after scrutinizing these representations disposed of these representations, with the result the merit list for 100 candidates (50 Graduates, 50 12th) was tentatively finalized.

The tentative Cut off for graduate has worked out 37 marks and for 12th has worked out 30 marks.

The candidates of both categories who fall in the above cutoff merit are hereby directed to report study centre Government Girls Higher Secondary School Kothibagh for registration on 27th, 28th and 29th of December. If any candidate fails to register up to Cut off date (29th December 2018 upto 4pm), his /her selection will be cancelled and waiting list will be operated accordingly.

The admission of these candidates shall be subjected to verification of documents at Divisional Centre GHSS Kothibagh.

Besides this, the selection of the candidates shall be limited to the candidates who have passed Graduation in academic Session 2017-18 and the candidates who have taken up examination in the session 2018-19 and same principle shall apply for 10+2 candidates who fall within the cut off merit.

Joint Director (Central)
