Therefore, all the Chief Education Officers of Kashmir Division are directed to ensure that there is a total prohibition (blanket ban) on the practice of private tuitions by members of Education Department during and after official hours and that strict disciplinary action is to be initiated immediately against any Principal, Head Master, Lecturer, Master, Teacher or ReT involved in the practice of private tuition or involved with any private coaching institution/centre in any capacity.

The Chief Education Officers are also directed to personally monitor the issue and conduct surprise raids on such private tuitions/coaching centres.
