**ORDER NO. 727 DSEK OF 2018**

**DATED 26/05 / 2018**

Whereas, vide Order No. 653-DSEK of 2018 dated 24.04.2018 issued on the subject, the authorization to conduct Private academic tuitioning by the Private Registered Tuition Centers was suspended for a period of 90 days subject to review and all the registered Private Tuition/Coaching Centres were asked to furnish the details vis-à-vis enrolment of students, fee structure, faculty engaged for coaching/tuitioning alongwith their salary details within a period of 10 days;

Whereas, after issuance of Order supra, a meeting was held on 28.04.2018 with the representatives of Private Tuition Coaching Centers Association, Kashmir on the issues involved and after threadbare discussion, and consensus arrived at with the participants, following decisions were taken:-

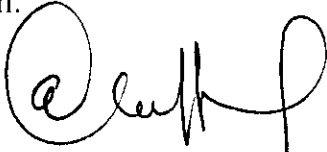

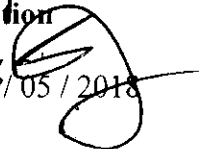

- i. All the registered private tuition/coaching centres shall conduct the classes only in the 2<sup>nd</sup> half after one hour of the closure of schools as per notified school timing.
- ii. No tuition/coaching centre shall force the candidates to pay the fee dues in one instalment, if the amount exceeds Rs.25000/= for completion of course. Therefore, fee dues for providing tuition of short term courses shall be received by them in two instalments while as, it shall be three instalments in case of long term course.
- iii. The aspirant candidate shall be allowed to monitor and analyse the faculty, usage of facilities and material provided in the tuition centres up to maximum 20 days, and if he/she wants to discontinue after feeling dissatisfied with regard to all these parameters, he/she shall be refunded all his/her dues, if deposited in advance.
- iv. Private tuition / coaching shall be permitted from class 9th onwards only as it is from this stage that career advance planning takes place and this stage requires supplementary academic support through private tuition centres. No Private Tuition/Coaching Centre shall engage in providing private tuition upto class **8th**.
- v. The number of the students in a class in all the tuition centres shall not exceed **75 students** in respect of academic tuitioning and **100** in respect of Coaching Classes for different entrance examinations. However, this is subject to the condition that a space of 09 sq. Feet per student is available, besides, Projectors and proper mic system along with other requisite logistics as per the direction of the Hon'ble High Court are installed in advance.
- vi. All the registered coaching centres shall hold the parent -tutor meetings once in a month and the feed back must be shared with the Directorate for uploading on the official website for the information of general public.

- vii. A separate web portal shall be established at Directorate level on which the list of all the registered coaching centres will be made available and the grievances, if any, can be registered on the portal for quick redressal with a similar arrangement to be provided by Registered Coaching Centres and put in place.
- viii. For the benefit of students, the DSEK has already constituted counselling cells at school, District and Divisional level. However, it was felt desirable that as far as possible, private tuition centres should also come up with such arrangement in the larger interests of student community.
- ix. It has been observed that there are no waiting rooms at maximum coaching centres. With the result the students waiting for their classes are forced to wait in corridors, lanes and streets which is not desirable. It is as such enjoined upon all that the waiting room facilities for the students and their visiting parents/guardians shall be established forthwith.
- x. There was a demand from parents and social activists that even in private tuition/coaching centres there is a requirement to have arrangement for moral education. Therefore, every tuition/coaching centre shall make necessary arrangements so that first **15 minutes** are devoted for moral education every day; and

Whereas, the list of Private Tuition Coaching Centers forming **Annexure** to this Order have adhered to the directions relating to providing the details vis- a-vis fee structure, enrolment of the students, faculty details alongwith their salary which shall be notified separately both by this Directorate as well as by the Coaching Centers within a period of **03 days** in all prominent news papers of the state;
