

Government of Jammu & Kashmir
Directorate of School Education, Kashmir

C I R C U L A R

Sub:- Implementation of Academic Calander 2018.

It has been brought into the notice of this Directorate that the Heads of some schools have not arranged the hard copy of Educational Planner available for the guidance of teaching faculty. As a result of this, there is a possibility of many difficulties to arise and disturb the academic planning as envisaged in the Academic Planner 2018. It is accordingly enjoined upon all the Heads of the institution to immediately down load a copy of the Educational Planner from the official website of the Directorate (www.dsek.nic.in) and make the same available for all the teaching faculty for the benefit of the students. The above instructions may be followed in letter and spirit.
