

Government of Jammu & Kashmir  
**Directorate of School Education Kashmir**

Principal,  
State Institute of Education,  
Srinagar.

DSEK/Innovation/ *RSC/2015/001* Dated *20-11-2015*.  
Subject: Establishment of Regional Science Centre in SIE Srinagar.

In order to boost Innovative Science activities in all the districts, District Science Centres shall be established at every district in DIETs.

Thus, it has become imperative to have a Regional Science Centre at the Provincial level.

SIE being premier institute at provincial level already engaged in trainings and organising programmes aimed at inculcating scientific temper, needs to develop such facilities.

In the first instance, you are advised to set up Regional Science Centre in the SIE utilizing local resources till concerned agencies are approached to get the infrastructure upgraded.

It is pertinent to mention here that at least two big halls and the corridors be utilised to display the working models/posters/Display boards etc. The left over models of INSPIRE programme could be redesigned and accommodated in the proposed science centre.

Field Advisor of the Science Wing (SIE) shall be the coordinator of the Science Centre. However, it shall be the joint responsibility of the SIE faculty as a whole to manage the affairs of the proposed Regional Science Centre.

You are as such advised to initiate the process forthwith. Brief concept note is appended herewith.

*Dr. Shah Faqir (IAS)*

Director  
School Education, Kashmir  
Srinagar
